Sewer Use Allocation Agreement

Dear Mr. Jacobowitz:

I have enclosed for your use, in the preparation of the necessary Allocation Contract, the following:

\$500.00 Deposit Check – Payable to MCDA  
Project Description  
Copies of Planning Board Minutes Re: SEQR Determination – Neg. Dec.  
Preliminary Approval.

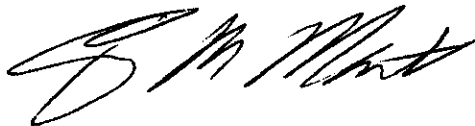

Copy of Letter to Mr. Mark J. Edsall, PE Re: "Sewer Allocation Flow Assignment"  
Subdivision Plans, as reviewed by the Town Planning Board

Since approval of the NYSDEC is required, I have requested that a "Sewer Allocation Flow Assignment" be issued such that the Allocation Contract and the Engineering Report can be finalized for NYSDEC review and approval.

If you have any questions, or require additional information at this time, please contact this office at your earliest convenience.

Thank you for your cooperation with this matter.

Very truly yours,  
Valdina~Marti Engineering & Surveying, PC
